Thanks Grant. We appreciated everyone coming together for those meetings, especially convening the large DTSC Exide Team. I thought both were very productive.

Thanks and take care

Hi Enrique, John, and Dan,

I wanted to thank you very much for coming and talking through [REDACTED] and Exide. It was great getting people together, making certain everyone is informed and talking about the best next steps on these important projects.

Please let me know if there is anything I can do or help out with on immediate follow-up items.

Safe travels, and hope that the rest of your week goes beyond well.

Best,

Grant
